

MAN WHO INVITED BANANA GUARD HAS TANTRUM ON SHARK TANK BY
RENATA SHAYKHETDINOVA

INT. STUDIO - DAY

Outrageously serious TIM stands in front of the table of
three "SHARKS".

TIM
(urgent)
Hi, sharks! I'm Tim Panson from
California and I am known as the
daddy of banana guard: the best
banana keeper in the world. No.
More. Mush!

Tim reveals a banana guard.

TIM (CONT'D)
Today I'm seeking \$100.000
investment in exchange for 8%
equity in a banana guard business.

Tim opens the banana guard to display perfectly yellow
banana.

TIM (CONT'D)
The Banana Guard was specially
designed to fit bananas of all
shapes and sizes.

Tim packs variety of bananas into different banana guards.

TIM (CONT'D)
Small, medium, large, crooked or
straight.

Banana doesn't fit. Tim smiles, tries to force the banana in
the banana guard.

TIM (CONT'D)
Fits perfectly, really easy to use.

Smiles maniacally while trying to force the banana into the
banana keeper. Sharks remain deadpan serious.

TIM (CONT'D)
No. More. Banana. Mush!

Smashes the banana into the banana guard with increasing
desperation.

TIM (CONT'D)
There is something wrong with this
banana.

Throws that banana away, pulls another banana. That one
doesn't fit either. Throws it away.

TIM (CONT'D)
Hehe. Defected bananas.

Pulls another banana. It doesn't fit. Tim smashes the banana
into the studio floor.

TIM (CONT'D)
No. More. Mush! Your bananas are
always perfect when you travel or
when you have them for lunch.

Another fail. Tim is red with anger, slams bananas that don't
fit. Shark tries to help him.

TIM (CONT'D)
This unique patented device -- Back
off! I don't need your help!

Tim stomps on bananas, throws them everywhere.

TIM (CONT'D)
-- My banana keeper is perfect!

Finally fits one in.

TIM (CONT'D)
Haha! Keeps your backpack mush-
free.

Puts banana keeper full of banana mush in the backpack.

TIM (CONT'D)
Enjoy perfect bananas anytime
anywhere.

Takes banana keeper out of the backpack, opens it, eats
banana mush.

TIM (CONT'D)
Yum!

SHARK 1
I'll give you 4 million dollars!

SHARK 2
That was perfect!

Sharks applaud.
